- Quality assurance Engineer
- Front End Developer
- Blockchain Technology Lead
- Onsite Recruiter

04

Can you describe how CK has been able to help you and your company?

CK is been one of our core agencies providing lots of our current colleagues.

05

What sets CK apart from other suppliers?

Quality instead of quantity and flexibility instead of standard procedure.

“Quality instead of quantity and flexibility instead of standard procedure”

HR Manager at Blockchain Technology company

06

How would you summarise your experience working with CK?

CK is one of the best agencies we could find to work with in the blockchain space. Alex and his team are always professional and on point. They do understand our business and always provide great quality candidates.
